PENNSYLVANIA HOUSE

This is furniture designed and built for people who like to live among beautiful things. The expert craftsmanship and lustrous, durable finishes assure years of unfading loveliness. Pennsylvania House solid cherry is made in four finishes, all of which reveal the delicate graining of fine cherry woods. The Collectors' finish in lighter browns accents the natural variation in wood tones. The Champagne is an antiqued finish in lighter brown. Ranging deeper in tone are the Candlelight finish, which glows with warm browns, and the Mt. Vernon in rich cherry red. We urge you to visit your Pennsylvania House dealer . . . for only by seeing the actual pieces can you appraise their quality and charm.
